## **STORMSTAFF LAUNCHES REDESIGNED WEBSITE**

**San Diego, California (June 10, 2009)** – StormStaff, a professional services company that specializes in providing Administrative, Clerical and Financial professionals to various organizations on a temporary, temporary-to-hire and direct-hire basis, has launched a newly redesigned website. The streamlined website features easier navigation, attention-grabbing dynamic animation and helpful resources such as a quick and easy sign-up form for the StormStaff newsletter, tips and tricks and special offers.

"By enhancing the resources offered on our website, StormStaff is strengthening its commitment to service excellence in the industry," said Brian Brown, StormStaff Executive Vice President. "This new website allows us to keep up-to-date information at our clients' and prospective clients' fingertips, providing them with the information necessary to choose the best professional services company for their situation."

The new StormStaff website has been completely reorganized, making it more user-friendly. Breaking StormStaff news is now featured on the home page of the website, which now has a clear navigation bar at the top of the page. In addition to a StormStaff mailing list sign up, the website also features new client testimonials, career tips and tricks such as resume writing tips and a detailed company awards section.

### **About StormStaff**

StormStaff is a professional services company that specializes in providing Administrative, Clerical and Financial professionals to various organizations on a temporary, temporary-to-hire and direct-hire basis. StormStaff's expertise and vast array of resources, combined with their commitment to excellence and unique personalized approach, enable the company to deliver optimal services that surpass the needs of clients and job candidates.

StormStaff currently has 3 offices nationwide, with corporate headquarters located in San Diego, California.
